

May 29, 2015

To: Students in the Graduate School of Engineering,
AOTULE Exchange students and others

Dean, Graduate School of Engineering

7th Multidisciplinary International Student Workshop (MISW 2015) Call for Papers

1. Workshop Purpose

Graduate School of Engineering of Tokyo Tech will sponsor the 7th *Multidisciplinary International Student Workshop* (MISW 2015), mainly for the graduate students within the School of Engineering in order to promote interactions across academic disciplines with overseas exchange students.

2. Workshop Outline

MISW 2015 will be held on August 6-7, for the engineering graduate students, Asia Oceania Top University League on Engineering (AOTULE), Summer Exchange Research Program (SERP) and TIER (CAMPUS ASIA, TiROP) exchange students to encourage innovation across disciplines via a research-based workshop and promote cross-cultural understanding. Participants are expected to present their own research or a related topic in either oral or poster presentation format and attend all sessions at the workshop. To encourage high quality presentations, all presentations are evaluated and awards are given for the best oral/poster presentations. The best presentations from approximately 20 Tokyo Tech graduate students will be selected to attend the AOTULE Student Workshop, which will be held at Nanyang Technological University, Singapore, on Nov. 1-3, 2015, with a part of travel expenses paid for by the Graduate School of Engineering. Only graduate students, who attend MISW, are eligible to attend the AOTULE Workshop.

3. Workshop Discipline and Theme

Discipline : Engineering in general

Theme : Leading technology on sustainable development

4. Abstract Submission

Papers from all engineering fields focusing on advanced technology are welcome. Submit the Extended Abstract by e-mail; one page of A4 size, written in English, and PDF format. From the submitted abstracts, oral presentations and posters will be selected.

5. Venue

Ookayama Campus of Tokyo Tech

6. Application Procedure

1) Eligibility

Graduate students enrolled in the Tokyo Tech Graduate School of Engineering and Exchange Students are eligible. Applications from graduate students from other schools and undergraduate students from all departments may be accepted depending on availability within the workshop program (Note: only graduate students in Graduate School of Engineering will be the candidates for the AOTULE student workshop selection). Approval of the presentation and publication of the Extended Abstract by the student's advisor is necessary prior to submission.

2) Application Deadline

The application procedure consists of three steps, online Web application entry, receipt by e-mail of abstract registration number and then e-mail submission of the Extended Abstract as outlined below. The deadline for completion of both steps of the application is **5:00 PM of 19th June**. More information about the application procedure can be found on the MISW website and below.

3) Application Procedure

- a) Access the application web-page and fill-in all the items including English test score (TOEIC, TOFEL

or IELTS) if English is your second language. The applicant does not have to send the score sheet. The score of two years ago (or more) is also effective.

<https://form.gsic.titech.ac.jp/ome/misw2015/entries/new>

- (b) The applicant will receive an e-mail of receipt including the abstract registration number.
- (c) Prepare the Extended Abstract in MS Word after downloading the abstract template from the MISW Homepage (File Name: 15MISW_template.doc). The abstract will be published in the black and white proceedings. Please include both text and figures in a single page of A4 size and convert it into PDF file format. The file name of the extended abstract should be saved as described below.

File Name: "E-mailed Abstract Registration No." + "_" + "Last name or Surname" + ".pdf"

Example: 101_Manaka.pdf

MISW Homepage: <http://www.aotule.eng.titech.ac.jp/MISW/2015/>

- (d) Send the Extended Abstract by e-mail to the steering committee at the address below.
- (d) Contact and Abstract Submission

Steering Committee of MISW2015: misw2015@ome.pe.titech.ac.jp

7. Note

Extended Abstracts will be published as-received **in black and white** in the workshop proceedings.
